

Global supply. Personal focus.

AGRICULTURE / PRECIOUS METALS / INDUSTRY

DelMar Global Solutions supplies businesses with agricultural products, gold, industrial materials, livestock and equipment. Tell us what you need. We will take the conversation from there.

01 **Sesame seeds**

For food processors, ingredient buyers and wholesale distributors.

02 **Coffee beans**

For roasters, importers and commercial buyers.

03 **Gold**

Physical gold requirements for qualified commercial buyers.

04 **Industrial commodities**

Industrial material requirements, including sulfur granules.

05 **Livestock**

Camels, goats and cattle for commercial buyers.

06 **Vehicles & equipment**

Commercial vehicles, trailers and agricultural equipment.

Your requirements. Our next conversation.

Share your product, specification, quantity and destination. If it is not listed, bring it up at our first meeting and we will see what we can do.
